roted husband and a doting father. Six years ago he was thrown from a light surrey by a runaway horse and he was removed to the hospital with a fractured skull. When Michael came out of the hospital his wife persuaded him to have nothing more to do with horses. He hecame a chauffeur and four years ago went to work for the Automobile Club of America. He was a good workingman, and became an inspector in the big garage, until a little piece of bone, fractured in the accident of six years ago began pressing against his brain.

He Becomes Violent. Seven weeks ago Crebbins entered the garage and talked so violently than Superintendent Dickinson thought the man, who had never touched a drop of liquor in his life, had been drinking and discharged him. He sought other employment in vain and most of the time he sat around the house moping and

salking what his wife called "foolish-
